

"Integration of foreigners in the Kępiński County"

Powiatowe Centrum Pomocy Rodzinie w Kępnie reminds that it is implementing a project entitled "Integration of foreigners in the Kępiński County", which was selected for co-financing as part of the tender competition entitled "Together We Can Do More - The First Edition of the Activation Program for Foreigners for the years 2022-2023", announced as part of the Departmental Activation Program for Foreigners for the years 2022-2025.

As part of the project, we implement, among others:

- a. integration assistant support;
- b. specialist counseling (legal, psychological),
- c. Polish language courses

We would like to inform you that we are conducting continuous recruitment and we encourage all foreigners living in the Kępiński County and neighboring counties to actively participate in the tasks we carry out.

From September we are launching the last edition of Polish language courses.

Language learning takes place in groups divided according to the level of language proficiency and will be end with a certificate of completion of the course. Legal and psychological counseling is conducted in the form of individual meetings and with full discretion.

If you haven't applied to our project yet, don't hesitate - we are waiting for you!

If you have any questions or doubts, please contact the project coordinator from PCPR in Kępno Ms. Katarzyna Godek
